OROLIN® Lotion

Antibacterial, dermatologically tested liquid hand wash lotion

- **Mildly cleaning**
- **Moisturizing**
- **Antibacterial effect**

OROLIN® Lotion is a dermatologically tested and alkali-free liquid hand wash lotion with antibacterial agents. Its high-quality nutrients help the skin maintain a healthy balance and prevent dryness and skin irritation. OROLIN® Lotion is particularly suitable for sensitive skin and comes with a fresh forest fragrance.

Use

Wet hands and apply one dose of OROLIN® Lotion. Scrub fingers and hands and then rinse hands thoroughly under running water.

Scope of Application

- For the washing of hands
- OROLIN® Lotion is ideal for sensitive skin

Precautions

Avoid contact with eyes. In case of contact with eyes, rinse immediately with plenty of water.
